HOLIDAY HOMEWORK

LEARNING IS FUN

THEME- GOOD MANNERS

Dear Parents

We have planned a calendar of fun activities for your summer vacations on the theme 'GOOD MANNERS'. The idea is to help children understand the importance of respectful behavior, kind words and thoughtful actions in everyday life. Good manners make us better individuals and help us build strong relationships with others. Every child is unique and can do wonderful things in their own way. When we practice good manners, we create a happy and positive environment around us.

To help our little learners understand the importance of good manners, please support your child with the following fun and educational activities over the holidays.

Hope you enjoy doing the activities together and have great holidays !!!
