

"Education is not preparation for life; education is life itself."

**CLASS – III**

**EXTENSIVE THEMATIC CURRICULUM**

**(2023-2024)**

**KALKA PUBLIC SCHOOL  
BPTP, FARIDABAD**

## EXTENSIVE CURRICULUM

**KALKA PUBLIC SCHOOL** is strongly committed to **extensive education**, a **holistic approach** that unifies diverse subject matter around a central theme, creating a depth of interest and understanding often absent in traditional approach to curriculum.

**VISION**-A holistic curriculum for producing responsible citizens equipped with productive skills.

**MISSION**-To develop curricula and instructional materials for equitable and quality education through research ,innovation and stakeholder involvement.

**CORE VALUES**- Team work, leadership ,integrity, equity, excellence

### **KEY AREAS OF LEARNING**

The teaching and learning staff team have worked together to build motivational and relevant themes which are focussed on the key areas of learning for our pupils.

Communication ; gross motor skills ; fine motor skills ; Thinking skills ;Personal and social development.

### **PUPILS INTERESTS**

Each termly theme is based on our pupil's interests, the local environment access. We have to support our pupils learning both in school and in the community and extending

### **PERSONALISED LEARNING:**

We provide a learning journey which is unique to each child and which is based on learners ownership. It is practical ,experiential and fun.

**“ Personalised learning means engaging pupils in partnership with teachers and support staff to deliver a tailor made service for students, so that they can achieve the highest possible standards.”**

### **HOLISTIC CURRICULUM:**

Our holistic curriculum encourage children to make connection in a subject using their creative skills. It interest curiosity and develops better social and communication skills. Three
